Lake Fact Sheet – Parry Sound District

Beaver Lake

Fisheries Management

Fisheries Management Zone: 15

Designation for Lake Trout Management: ..... not designated

Fishing Regulation Exceptions ..... no lake-specific exceptions

Current Stocking: ..... none

Historic Stocking (last year stocked): .....

Contaminants (species tested): ..... no testing done

Assessment: Completed Projects:

1974	lake survey
1987	brook trout assessment

Synopsis

There is little information available on Beaver Lake in Paxton Township. Two lake surveys completed in 1974 and 1987 were unsuccessful at catching any fish. Due to no recent surveys being completed the current fish community is unknown in the lake. The lake should be assessed as it could be a good candidate for brook trout stocking.
